Subject.

Petition No. 932 dated 30th September 1902 from Abdul Sabi and others of Harihar received from the Private Secretary.

Petition No. 1054 dated from certain merchants of Harihar received with memo No. 484 dated 16/10/02 from the Private Secretary to His Highness

Letter No. 267 dated 29th September 1902 from the President of the Municipalities in the Chitaldrug District.

Re Abolition of Octroi in Harihar.

Note.

The introduction of Octroi on Tobacco and Kerosine oil into the Harihar Municipality was sanctioned in Pro. No. 9640/L.F.40-93 dated 20th February 1899 (Sl. ^D 2) and / other articles were added to the list in Pro. No. 14035-6/L.F.40-93 dated 13th June 1899 (Sl. ^E 14), in addition to the duty on Piece-goods which used to be levied for several years past.

2. Complaints were received against the levy from the inhabitants of Harihar (vide Nos. ^H 27, ^I 28, ^J 29), but they were informed in reply that Government were not prepared to abolish the duties introduced into the town recently on the recommendation of the Municipal Board (vide Nos. ^H 19, ^I 21, ^J 22).

3. Two petitions are now received, Nos. 932 (Sl. ^A 25) and 1054 (Sl. ^B 26) dated 30th September and 16th October 1902 respectively, from the Private Secretary, for the abolition of the octroi on tobacco and kerosine oil.

1. No. and date of latest letter or paper.
2. Catch words to show nature of subject.
3. Subject to be in red and body of note in black.

2. Opinions to be stated only as supported by precedents, or general rules which should always be quoted.
3. Serial numbers in file, &c., to be always stated.
4. Dates of important documents referred should be given.
5. Write on both sides, leaving the same side as margin

of the Octroi as in Dāvengero.

4. The President of the Municipalities in the Chital
-orug District in the communication cited above, ^(S24C) submi
a statement of Octroi revenue realised during the yea
when the new articles were subjected to Octroi and so
licits sanction to the discontinuance of the levy, tr
tolls on carts being substituted instead and piece-
goods being continued to be subjected to the Octroi as
in former years.

5. The revenue realised from Octroi on the above art-
icles which amounted to Rs.953 in 1899-00 has dwindled
down to Rs.343 in 1901-02. As the President did not
state the amount of revenue he expected to realise by
the introduction of Tolls, this information was called
for in this office docket No.8311/L.F.40-98 dated 14th
November 1902 (Sl. ^K~~52~~ ₂₇). The President now states in his
letter No.392 dated 20th November 1902 ^{(S28) sl. p. 2} that the revenue
expected to be realised by leasing out the proposed
levy of Tolls in Harihar is estimated at Rs.500/ per
annum.

This proposal involves a loss of Rs.343 from
Octroi revenue and addition of Rs.500/ from tolls.

If the President's proposal is sanctioned the
net gain to the Municipality would be Rs.157 as shown
below:-

Octroi revenue realised during the year-----Rs.343.

I have no objection to the
substitution of tolls for octroi.
The conditions at Harihar are however
different to those at Dāvengero.

Dated, Chitaldrug 29th September 1902

From

M. Narain Rao, Esquire,
President of Municipalities,
Chitaldrug District.

To

H. V. Nanjundayya, Esquire, M.A., M.L.
Secretary to the Government of
Mysore, General and Revenue
Departments,
Bangalore

Sir,

I have the honor to submit herewith
a statement showing the articles on which Octroi
duty is being levied in Harihar Municipality
from April 1899 in pursuance of the orders conveyed
in the marginally noted Proceedings and the
revenue realized therefrom from the Commencement
upto end of June 1902, and to state that the levy
has had a prejudicial effect on the trade of the
town.

No. 9640-1⁽²⁾ Dated
S.F. 40-98
20th February 1899.
No. 14035-6⁽¹⁹⁾ Dated
S.F. 40-98
13th June 1899

2. The Chief articles subjected to Octroi are
tobacco, Betel leaves, jagorri, Coconuts and Kerosene
oil. The levy of Octroi on them has tended to
advance their prices at Harihar as compared with
those

those prevailing in Davanagere, 9 miles distant, where the Octroi system is not in force. The result is that the ryots of Honali and Malébinur who used to sell grain and other agricultural products and purchase Cocoanuts, tobacco, jaggery &c at the former market now resort to the latter. The Octroi revenue at Harihar has also diminished in consequence to a considerable extent.

3. Under the above circumstances, the Municipal Board at Harihar strongly urges the abolition of Octroi duty on all articles other than piece goods and the substitution of the levy of tolls at the marginally noted rates on all laden and empty carts and on ass-loads entering the Municipal limits, as in the case of Davanagere. I beg to recommend the proposal for sanction with effect from 1st November 1902. The privilege of collecting tolls will, if approved, be leased out in the first instance, as one of the merchants of the place has come forward to take up the lease.

4. The levy of Octroi on piece goods will continue as at present

I have the honor to be,
Sir,

Your Most obedient Servant
